OUR RECOMMENDED EXPERIENCES

SMART BIOMETRIC MASSAGE – 50 MIN

We analyse your stress and fatigue metrics from your smartwatch in just 2 minutes, along with other indicators such as your weekly heart rate and exercise activity. Our therapists will design a manual treatment tailored to you, including pressure, aromas, techniques and protocol. This is not just any massage: it is what your body needs at that very moment.

YOUR PRIVACY COMES FIRST

We never store or share your data.

●●○○○ — 150€
Personalised pressure

FOUR-HAND SYMPHONY – 50 MIN

Double the relaxation in half the time. Two therapists work in perfect synchronisation, alternating their movements to create a unique sensory experience. When your mind can no longer follow two stimuli at once, it lets go completely, reaching a deep, absolute state of disconnection that is rarely experienced.

SUBJECT TO AVAILABILITY
